

President's Message:

It is an honor to serve as the 2018-2019 President of AAMSS. This group has been my lifeline to credentialing over the past few years, and I look forward to working more closely with each of you in hopes to continue providing valuable networking and educational opportunities to our peers throughout the state. I hope you all will feel lead to join me in my commitment to our association. Any task you are comfortable with would be greatly appreciated. Whether it be hosting a meeting, finding speakers, serving on a committee or simply participating in the quarterly meetings. No task is too small! We all know this field requires a passion for what we do, so let's use this passion to be the voice in our field, the gatekeepers to patient safety and grow as Medical Staff Professionals.

Let's work together to make this a great year!

Traci Reed
